## GENERAL INFORMATION ABOUT THE PIPER SENECA V

Meet the twin-engine working horse! The Piper Seneca V is a strong and reliable aircraft that will take you safely over mountains, over water – and to your destination at night. The aircraft is known as “the perfect business tool”, often used for personal transportation or business travels to paying customers, taxi and ad hoc charter operations. The Piper Seneca V comfortably seats 6 persons including pilot. The Piper Seneca V flies you anywhere - anytime. With the largest, widest cabin in the class, your passengers will enjoy every single flight with great pleasure.

ASKING PRICE: USD 330,000 (ex.VAT)

This Aircraft is offered, subject to verification and availability. Specifications and/or descriptions are provided as introductory information only and we reserve the right to make changes to this specification due to misprints, errors and omissions.
