## GENERAL INFORMATION ABOUT THE CITATION CJ2, C525A

This beautiful Cessna Citation CJ2 can be described with three words: Simplicity, economy and Performance. The CJ2's operating costs are just as low as the original Citation Jet, but it offers a lot more range and a faster cruise speed. The aircraft currently operates on an AOC and if sold within Europe, it can remain on this AOC for charter revenue. Furthermore this aircraft is approved and certified for single pilot operations.

Ready for delivery with fresh Doc. 10 and two new main landing gears.

ASKING PRICE: USD 2,575,000 (ex.VAT)

This Aircraft is offered, subject to verification and availability. Specifications and/or descriptions are provided as introductory information only and we reserve the right to make changes to this specification due to misprints, errors and omissions.
