GENERAL INFORMATION

Meet the twin-engine working horse!
The Piper Seneca V is a strong and reliable aircraft that will take you safely over any terrain to your destination. The aircraft is known as “the perfect business tool”, often used for personal transportation or business travels to paying customers, taxi and ad hoc charter operations.

This aircraft has seen 1400 hours in the air and is still in absolutely stellar flying condition!
The propellers were overhauled in June 2018 (LH) and January 2019 (RH)!

The Piper Seneca V comfortably seats 6 persons including pilot. It flies you anywhere - anytime. With the largest, widest cabin in the class, your passengers will enjoy every single flight with great pleasure.

OY-LAF is ready to take you anywhere you need to go. Don't miss this one!
