## GENERAL INFORMATION

This beautifully kept Mooney M20M is for sale exclusively through European Aircraft Sales, and we are pleased to offer this aircraft to our clients! Built in 2004 and flown for no more than 1185 hours, this M20M is in great condition and it is ready to take you anywhere.

12-year inspection performed on the engine in April 2019, and the total time since is just 200 hours. It has had the ARC extended in October 2022.

The aircraft comes upgraded with speed brakes and long range fuel tanks.

With the intuitive and reliable Garmin G1000 avionics suite your flight experience will always be as safe, pleasant and smooth as possible, and the avionic was upgraded with Avidyne Traffic Advisory System in 2018.

Asking Price:  
USD 310,000 (EX.VAT)

This aircraft is offered, subject to verification and availability. Specifications and/or descriptions are provided as introductory information only and we reserve the right to make changes to this specification due to misprints, errors and omissions.
