GENERAL INFORMATION

This G1000-equipped Cessna T182T Skylane is an excellent choice for any pilot wishing to fly with high useful load and great range!

Equipped with the Garmin GFC700 Autopilot your flight will be comfortable and easy, and you will go far with the 92-gallon long range tanks you find on this aircraft!

The aircraft suffered a prop strike incident during taxi in 2022, and the engine is scheduled to be ready and reinstalled in February 2023, and will be delivered with fresh annual inspection done. The propeller is fresh from overhaul with zero hours on the clock!

ASKING PRICE: USD 435,000 (ex.VAT)

This aircraft is offered, subject to verification and availability. Specifications and/or descriptions are provided as introductory information only and we reserve the right to make changes to this specification due to misprints, errors and omissions.
