GENERAL INFORMATION

The PC-12 is one of the most popular turbine-powered business aircraft on the market today, and this one is in great condition.

The PC-12 is a very popular choice for executive transportation, air ambulance, cargo operators, airline/taxi operations, and special mission operations.

With one of the largest cabins in its class, the PC-12 is available with a fully closed toilet onboard.

Last scheduled maintenance performed:
300FH, 300FH/12M, 600FH/12M & 1200FH/12M -
17th June 2023
