GENERAL INFORMATION

Meet the new Piper M700, the first in a new generation of the Piper M-Class family! Powered by the Pratt & Whitney PT6A-52 engine, the M700 boasts a maximum cruise speed of 301 ktas, and a max range of 1,424 nm at normal cruise speed, while maintaining its Basic Med compliant 6,000-pound MTOW limit.

The M700 features Garmin's G3000® avionics system—a touchscreen-controlled glass flight deck. The G3000 avionics suite is the most sophisticated Garmin technology available and offers the most comprehensive, intuitive and technologically advanced package in today's market.

Highlights of this aircraft:

- HALO Safety System incl. Garmin Autoland and Autothrottle
- Full Awareness Package installed, including GWX 8000 Radar
- Take-off distance less than 2,000 ft
- Climb rate 2,048 ft per minute

ASKING PRICE: USD 4,321,589 (ex.VAT)

This aircraft is offered, subject to verification and availability. Specifications and/or descriptions are provided as introductory information only and we reserve the right to make changes to this specification due to misprints, errors and omissions.
