GENERAL INFORMATION

Standing out as a perfect aircraft for an owner-pilot, or a business with moderate flying needs, we are proud to offer this Piper Malibu Matrix for sale!

This is one of very few available Matrix's equipped with Garmin G1000 and fully FIKI certified! It has no damage history, and it has always been kept in hangar.

The Matrix presents the perfect step up from any four-place aircraft. With the largest cabin volume in its class, the Matrix projects sophistication. In the air, the 350 HP dual turbocharged engine produces performance numbers high enough to satisfy even the most demanding pilots.

With the user friendly and intuitive Garmin G1000 Avionics Suite, and equipped with the Enhanced Situational Awareness Package, this aircraft is simply a dream to fly.
