GENERAL INFORMATION

Enjoy the unpressurized high-class comfort travel in this Matrix that has all the qualities that you would expect from a genuine business aircraft.

With a range of 1343 nm you can fly from London to Naples non-stop. The Garmin G1000 Suite with Synthetic Vision Technology offers the highest level of situational awareness, eases navigation and keeps the workload low to benefit flight safety.

This aircraft is loaded with optional equipment from the factory and will be an optimal choice to anyone looking for a 6-seat piston aircraft.

Freshly overhauled propeller.
Delivered with fresh annual inspection.

Asking Price: 729,000 USD (EX.VAT)

This aircraft is offered, subject to verification and availability. Specifications and/or descriptions are provided as introductory information only and we reserve the right to make changes to this specification due to misprints, errors and omissions.
