GENERAL INFORMATION

European Aircraft Sales is proud to announce this beautiful Cessna T182T Turbo Skylane for sale. The aircraft is impeccably kept and has always been hangared and maintained according to all rules and regulations.

Upgraded to WAAS and with ADS-B out transponder, this aircraft is ready to serve a new owner for many years to come.

The aircraft is currently flown by the second owner, who has been using it for long IFR-flights across Europe. If purchased privately within EU, no VAT applies to this aircraft.

Aircraft operated under FAA part 91.

Asking price: USD 395,000 (ex.VAT)

This aircraft is offered, subject to verification and availability. Specifications and/or descriptions are provided as introductory information only and we reserve the right to make changes to this specification due to misprints, errors and omissions.
