GENERAL INFORMATION

This well-kept and nicely upgraded 1999 Piper Seneca V is now for sale exclusively with European Aircraft Sales!

A strong and reliable twin aircraft, perfect for missions of many different kinds. This aircraft has been used for medium-length and long flights across Europe, and is kept in very good condition.

The avionics have been upgraded with a wide range of state-of-the-art equipment, and the interior was redone in tasteful beige leather in 2021.

Highlights of this aircraft:

- Low time engines and props
- Upgraded avionics
- Modern interior done in 2021
- Co-pilot instruments
- Yaw dampers

Asking price: USD 410,000 (ex.VAT)

This aircraft is offered, subject to verification and availability. Specifications and/or descriptions are provided as introductory information only and we reserve the right to make changes to this specification due to misprints, errors and omissions.
