GENERAL INFORMATION

This 2021 Cirrus SR22T GTS G6 is a prime example of the turbocharged, single-engine general aviation aircraft!

It offers everything you need from a 4-seater private aircraft in terms of technology and safety features, including Garmin Perspective+ avionics, infra-red EVS camera upgrade, and the Cirrus Airframe Parachute System (CAPS).

This SR22T is FIKI approved, upgraded with 12" screens, Jeppesen ChartView, SurfaceWatch and much more!

Cirrus offers the Embark Program to all new owners of pre-owned Cirrus aircraft: 3 days of free transition training with an authorized Cirrus training partner.

Highlights:

- Low time on airframe, engine, and propeller.
- EVS camera.
- FIKI
- Cirrus Global Connect
- No damage history

Asking price: USD 825,000 (ex.VAT)

This aircraft is offered, subject to verification and availability. Specifications and/or descriptions are provided as introductory information only and we reserve the right to make changes to this specification due to misprints, errors and omissions.
